Fabulous Shopping Trolleys for Every Generation

p31

Dear Friends
I love shopping (that's probably not a secret!). Whether its a special trip for a fab frock, yet more boots (don't go there) or just the weekly shop to the supermarket, I'm out and about, maybe meeting up with

friends and treating ourselves to a cake in our favourite cafe. I don't want to be weighed down by bags of heavy shopping. That's where the Sholley comes in. It makes every shopping trip less of a chore and a little more fun. We are a family firm and proud that half a million customers put

p10

for Men & Women

their faith (and their shopping) in a Sholley every week. As you will see from the reviews in the brochure it helps them shop safely and keep their valued independence.

It's Britain's safest sholley with its sturdy frame, sprung wheels, comfortable handles and foot brakes. Practical too with a water-resistant fabric and plenty of handy pockets.

But now not only does it feel good it looks FABULOUS! You'll find 16 styles to choose from. The pretty in pink Victoria (see cover), the chic faux 'ostrich' fabric of the Bloomsbury and Knightbridge and the joyful polka dots and stars of our Portobello, Pimlico and Petticoat Lane Sholleys.

I couldn't resist adding matching handbags (p33) and coolbags (p30), with swishy, dishy tassels (p31).

There are some sophisticated styles for gentlemen too, see the smart Belgravia (p10). And bring some extra comfort to your shop with the Sholley with a Seat. For big shops our big Donkee will lighten the heaviest load (see brochure).

Happy Shopping
